EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mrs. Kristen Pursley on 07/24/2008.

The application has been amended as follows:

In the abstract:

Line 2, inserted --and--following "the first surface"

In the claims:

The set of claims submitted on 04/21/2008 after a Non-Final Rejection were amended as follow:

Claim 1,

line 5: inserted -- a cap member including:-- following "at a junction;"

line 17: deleted

line 18: deleted

line 19: deleted "are adapted to"

line 20: changed "for secure" to --securely--

line 21: changed "attachment and for" to --attached and-- and "part of a gable" to --part of the gable--

2. The following is an examiner's statement of reasons for allowance: the primary reason for the allowance of the claims is the inclusion of the combination of "the rake boards being part of a gable roof assembly and a cap member having a stepped arcuate surface corresponding with an equal number of stepped arcuate surfaces of opposing rake boards, the cap having in the backside radially extending lines and a series of tangentially extending lines numerical marked to correspond to a roof pitch of a home". There would be no reason to modify the prior art without relying in hindsight.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Adriana Figueroa whose telephone number is 571-272-8281. The examiner can normally be reached on Monday-Friday 8:00 am - 4:30 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Brian Glessner can be reached on 571-272-6843. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
